

The 30th – Billie Eilish

Sometimes, you look the same
Just like you did before the accident
When you're staring into space
It's hard to believe you don't remember it
Woke up in the ambulance
You pieced it all together on the drive
I know you don't remember calling me
But I told you, even then
You looked so pretty
In a hospital bed
I remember you said you were scared
And so was I
In a stand-still on The Five,
Thought it was unusually early traffic
Usually, I don't panic, I
Just wanted to be on time
When I saw the ambulances on the shoulder,
I didn't even think of pulling over
I pieced it all together late that night
And I know you don't remember calling me
But I told you, even then
You looked so pretty
In a hospital bed
I remember you said you were scared
And so was I
What if it happened to you
On a different day?
On a bridge, where there wasn't
A rail in the way?
Or a neighborhood street
Where the little kids play?
Or the Angeles Crest
In the snow or the rain?
What if you weren't alone?
There were kids in the car
What if you were remote?

No one knows where you are
If you changed anything,
Would you not have survived?

You're alive,
You're alive,
You're alive

And I know you don't remember calling me

But I told you, even then

You looked so pretty

In your hospital bed

I remember you said

You were scared

And so am I
