

Perfect Harmony – Julie and the phantoms

Here in front of me
Shining so much brighter
Than I have ever seen
Life can be so mean
But when he goes, I know he doesn't leave
The truth is finally breaking through
Two worlds collide when I'm with you
Our voices rise and soar so high
We come to life when we're
In perfect harmony
Woah-oh, woah-oh
Perfect harmony
Woah-oh, woah-oh
Perfect harmony
You and me together is more than chemistry
Love me as I am
I'll hold your music here inside my hands
We say we're friends, we play pretend
You're more to me, we're everything
Our voices rise and soar so high
We come to life when we're
In perfect harmony
Woah-oh, woah-oh
Perfect harmony
Woah-oh, woah-oh
Perfect harmony
I feel your rhythm in my heart
Yeah, yeah, yeah
I never knew a love so real
We're heaven on earth
Melody and words
When we're together we're
In perfect harmony
Woah-oh, woah-oh
Perfect harmony
Woah-oh, woah-oh

We say we're friends
You're more to me
Perfect harmony
