

ARTPOP – Lady Gaga

Come to me, in all your glamour and cruelty
Just do that thing that you do
And I'll undress you
Give it time, sometimes the simplest
move is right
The melody that you choose, can rescue you
A hybrid can withstand these things
My heart can beat with bricks and strings
My ARTPOP could mean anything
We could, we could belong together (ARTPOP)
We could, we could belong together (ARTPOP)
We could, we could belong together (ARTPOP)
ARTPOP, ARTPOP, ARTPOP
Come to me, with all your subtext and fantasy
Just do that thing that you do
In a perverse hue
Lover's kites, are flown on beaches
for public sight
The color palette you choose, can profit you
A hybrid can withstand these things
My heart can beat with bricks and strings
My ARTPOP could mean anything
Could try to sell you out or I
Could show you all the reasons why
My ARTPOP could mean anything
We could, we could belong together (ARTPOP)
We could, we could belong together (ARTPOP)
We could, we could belong together (ARTPOP)
ARTPOP, ARTPOP, ARTPOP
Brushes with darknes won't help you create
Your destiny of self but
ARTPOP could mean anything, anything
I try to sell myself but I am really laughing
Because I just want the music, not the bling
Music, not the bling
We could, we could belong together (ARTPOP)

We could, we could belong together (ARTPOP)
We could, we could belong together (ARTPOP)
ARTPOP, ARTPOP, ARTPOP
We could, we could belong together (ARTPOP)
We could, we could belong together (ARTPOP)
We could, we could belong together (ARTPOP)
ARTPOP, ARTPOP, ARTPOP
Free my mind, ARTPOP
You make my, heart stop
