Bruises - Lewis Capaldi

Counting days, counting days
Since my love up and got lost on me
And every breath that I've been taking
Since you left feels like a waste on me
I've been holding on to hope
That you'll come back when you can
Find some peace
Cause every word that I've heard spoken
Since you left feels like an hollow street

I've been told, I've been told
To get you off my mind
But I hope I never lose the bruises
That you left behind
Oh my lord, oh my lord, I need you by my side

There must be something in the water Cause everyday it's getting colder And if only I could hold you You'd keep my head from going under

Maybe I, maybe I'm just being blinded By the brighter side Of what we had because it's over Well there must be something in the tide

I've been told, I've been told
To get you off my mind
But I hope I never lose the bruises
That you left behind
Oh my lord, oh my lord, I need you by my side

There must be something in the water Cause everyday it's getting colder And if only I could hold you You'd keep my head from going under Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
It's your love I'm lost in
Your love I'm lost in
Your love I'm lost in
And I'm tired of being so exhausted
Your love I'm lost in
Even though I'm nothing to you now
Even though I'm nothing to you now

Ooh-ooh-ooh-ooh

There must be something in the water Cause everyday it's getting colder And if only I could hold you You'd keep my head from going under There must be something in the water Cause everyday it's getting colder And if only I could hold you You'd keep my head from going under
