

# Perfect Harmony – Madison Reyes, Charlie Gillepsie

Step into my world  
Bittersweet love story 'bout a girl  
Shook me to the core  
Voice like an angel  
I've never heard before  
Here in front of me  
They're shining so much brighter  
Than I have ever seen  
Life can be so mean  
But when he goes, I know he doesn't leave  
The truth is finally breaking through  
Two worlds collide when I'm with you  
Our voices rise and soar so high  
We come to life when we're  
In perfect harmony  
Woah-oh, woah-oh  
Perfect harmony  
Woah-oh, woah-oh  
Perfect harmony  
You set me free  
You and me together is more than chemistry  
Love me as I am  
I'll hold your music here inside my hands  
We say we're friends, we play pretend  
You're more to me, we're everything  
Our voices rise and soar so high  
We come to life when we're  
In perfect harmony  
Woah-oh, woah-oh  
Perfect harmony  
Woah-oh, woah-oh  
Perfect harmony  
I feel your rhythm in my heart  
Yeah, yeah, yeah  
You are my brightest burning star

Woah-ooh, oh-oh  
I never knew a love so real (so real)  
We're heaven on earth  
Melody and words  
When we're together we're  
In perfect harmony  
Woah-oh, woah-oh  
Perfect harmony  
Woah-oh, woah-oh  
We say we're friends (we play pretend)  
You're more to me (we create)  
Perfect harmony
