I Feed You My Love - Margaret Berger

A cocoon in a silent tree Through the dark night you listen to me When I whisper broken words in your ear And you push, you push me hard to the surface I'm blinded at heart but you wake me You wake me up from the snow where I was born Now I can see, the whole world is mine I can touch and feel I feed you my love You put a knife against my back And you dare me to face the attack You say, "For cowards there's no reward" Feel the heat Take my hand, I trust your word Bring the fire, I don't care if it hurts I have the future on my tongue Give me a kiss Now I can see, the whole world is mine I can touch and feel I feed you my love You put a knife against my back And you dare me to face the attack You say, "For cowards there's no reward" I have the future on my tongue Now I can see, the whole world is mine I can touch and feel So I feed you my love Feed you my love

So I feed you my love
