

# Malibu – Miley Cyrus

I never came to the beach  
Or stood by the ocean  
I never sat by the shore  
Under the sun with my feet in the sand  
But you brought me here  
And I'm happy that you did  
'Cause now I'm as free  
As birds catching the wind  
I always thought I would sink  
So I never swam  
I never went boatin', don't get how  
they are floatin'  
And sometimes I get so scared  
Of what I can't understand  
But here I am  
Next to you  
The sky's more blue  
In Malibu  
Next to you  
In Malibu  
Next to you  
We watched the sun go down  
As we were walking  
I'd spent the rest of my life  
Standing here talking  
You would explain the current  
As I just smile  
Hoping that you'll stay the same  
And nothing will change  
And it'll be us, just for a while  
Do we even exist?  
That's when I make the wish  
To swim away with the fish  
Is it supposed to be this hot  
All summer long?  
I never would've believed you if three

Years ago you told me  
I'd be here writing this song  
But here I am  
Next to you  
The sky's more blue  
In Malibu  
Next to you  
In Malibu  
Next to you  
A aaa aaa aaa aaaaa  
Aaaaaaa  
A aaa aaa aaa aaaaa  
Aaaaaa aaaaa  
Next to you  
The sky's more blue  
In Malibu  
Next to you  
We are just like the waves  
That flow back and forth  
Sometimes I feel like I'm drowning  
And you're there to save me  
And I wanna thank you  
With all of my heart  
It's a brand new start  
A dream come true  
In Malibu
