Wreckin - Miley Cyrus

We clawed, we chained, our hearts in vain We jumped, never asking why We kissed, I fell under your spell A love no one could deny

Don't you ever say I just walked away I will always want you I can't live a lie, running for my life I will always want you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was wreck me

Yeah you! You wrecked me

I put you high up in the sky And now, you're not coming down It slowly turned, you let me burn And now, we're ashes on the ground

Don't you ever say I just walked away I will always want you I can't live a lie, running for my life I will always want you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was wreck me
I came in like a wrecking ball
Yeah, I just closed my eyes and swung
Left me crashing in a blazing fall
All you ever did was wreck me

Yeah you! You wrecked me

I never meant to start a war I just wanted you to let me in And instead of using force I guess I should've let you win
