Call Out My Name – The Weeknd

We found each other I helped you out of a broken place You gave me comfort But falling for you was my mistake I put you on top, I put you on top I claimed you so proud and openly And when times were rough, when times were rough I made sure I held you close to me So call out my name (call out my name) Call out my name when I kiss you so gently I want you to stay (I want you to stay) I want you to stay, even though You don't want me Girl, why can't you wait? Girl why can't you wait 'til I fall out of love? Won't you call out my name? Girl, call out my name, and I'll be on my way And I'll be on my I said I didn't feel nothing baby, but I lied I almost cut a piece of myself for your life Guess I was just another pit stop 'Til you made up your mind You just wasted my time You're on top, I put you on top I claimed you so proud and openly, babe And when times were rough, when times were rough I made sure I held you close to me So call out my name (call out my name, baby) So call out my name when I kiss you So gently, I want you to stay I want you to stay even though you Don't want me Girl, why can't you wait?

Girl, why can't you wait 'til I fall out of loving? Babe, call out my name Girl, call out my name, And I'll be on my way, girl I'll be on my On my way, on my way On my way, on my way, ooh On my way, on my way, on my way On my way, on my way, on my way (On my)
